New Beer in Pugsley's Signature Series: Smashed Pumpkin

PORTLAND, MAINE – (July 30, 2009) – Shipyard Brewing Company announces the release of a new beer in its Pugsley's Signature Series line. Smashed Pumpkin will be available in late August exclusively in 22 oz. bottles and on draft.

Smashed Pumpkin is a big-bodied beer with a light coppery orange color and pleasing aroma of pumpkin and nutmeg. The OG and final Alc./Vol. provide the structure and body. Pale Ale, Wheat and Light Munich Malts combine with the natural tannin in pumpkin and the delicate spiciness of Willamette and Hallertau Hops to balance the sweetness of the fruit. 1.088 OG, 9.00% Alc./Vol.

To fully enjoy all the flavors, this ale is best drunk at 55 degrees Fahrenheit. Smashed Pumpkin pairs well with sharp cheeses, nuts, lamb, hearty stews and desserts like flan or pumpkin pie. Chefs find this an excellent beer to cook with in dishes such as braised short ribs.

Pugsley's Signature Series is named after Shipyard's master brewer, Alan Pugsley. Pugsley is from England where he worked with Peter Austin at the world-famous [Ringwood Brewery](#) in Hampshire before moving to the United States in 1986.

Shipyard Brewing Company is located on the historic waterfront in Portland, Maine and produces 15 varieties of award-winning English style and seasonal beers. Its products are distributed in over 35 states.
