Pledge Your Support!

Send a young person for a sail aboard *Ocean Planet* with solo round-the-world sailor, Bruce Schwab - a true inspiration for us all!

You can select the child of your choice or opt to send a young person from the Opportunity Farm - it's up to you!

Opportunity Farm for Boys and Girls in New Gloucester has helped countless young people in Maine become independent, self-sufficient adults.

The Made in America Foundation provides educational opportunities and youth aspirations programs for young people across the country.

The fundraising goal of the Casco Bay Youth Adventure is **\$40,000** but the event is **much more than a chance to raise money.** It's a chance to **provide a young person with an experience they might otherwise never have.** Reception will be held on shore for sponsors while sail is underway.
